Ideas about the continuation of these initiatives for next year?

- Continuing work on website
- Compilation of salary survey and assessment of results
- Events - How many? What topic? When and where?
- Discussion list - it would be great to have some regular "content" posted to the list

Ideas about new initiatives for LTAIG for next year?

- ✓ Cross-country connections for lib tech groups

- ✓ LTAIG session at joint BCLA/CLA conference in Victoria, June 16-19, 2004

- ✓ Beginning to look for others who might be interested in working on the committee - "Succession planning"

- ✓ Other ideas???
