

1. Title of Resolution	<b>Revision of By-Law 6.1a : Election of Directors and Officers</b>
2. Rationale / Purpose for Resolution	<p>The purpose of the change is to ease, and more precisely articulate, the process for nominating members to the BCLA Board of Directors. Currently the nomination process calls for original signatures on the nomination form. This means that nominators must all add a signature and then the form is scanned and sent to the office, or a hard copy is mailed to the office. The proposed change will allow for nominators to add their names and email contact information to an online nomination form that is completed electronically by nominators and collected electronically by the BCLA office. This change brings the nomination process in line with other such processes used by the BCLA administration while making the nomination process less cumbersome for members.</p>

Each such further nomination shall be signed by (3) three members and be accompanied by the written consent of the nominee,</i></p> <p>and this wording does not allow for an electronic nomination process;</p> <p>Therefore be it resolved that BCLA By-Law 6.1a should be changed to read,</p> <p><i>To prepare a suggested slate of Officers and Directors, to distribute it to the members at least (1) one month before the Annual General Meeting, and at the same time to call for further nominations.
