INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BRITISH COLUMBIA LIBRARY ASSOCIATION

We have audited the statement of financial position of the British Columbia Library Association (“the Association”) as at December 31, 2021, the statements of operations, changes in net assets, and cash flows for the year ended December 31, 2021, and a summary of significant accounting policies and other explanatory information.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Association as at December 31, 2021, and the results of its operations, changes in net assets and cash flows for the year in accordance with Canadian accounting standards for not-for-profit organizations.

Basis of Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Auditor's Responsibility for the Audit of the Financial Statements (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identified during our audit.

Report on Other Legal and Regulatory Requirements

As required by the Societies Act (British Columbia), we report that, in our opinion, these principles have been applied on a basis consistent with that of the preceding year.

Vancouver, Canada

BRITISH COLUMBIA LIBRARY ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021

1. PURPOSE AND OPERATIONS OF THE ASSOCIATION

The British Columbia Library Association ("the Association"), a not-for-profit voluntary organization, was incorporated under the Societies Act of British Columbia on January 15, 1948. The purposes of the Association are to promote and foster the role of libraries and library workers in British Columbia through advocacy, education, and leadership; to provide opportunities to expand knowledge and skills through conferences, continuing education, publications, and association work; and to participate in formal liaisons with provincial, national, and international organizations.

The Association is dependent upon the Government of British Columbia for a substantial portion of its revenue, which is received in the form of grants to be used for specified purposes.

As a registered charity under the Income Tax Act, the Association is a not-for-profit entity and, as such, is exempt from income tax.

2. GOING CONCERN

The outbreak of the Covid-19 pandemic and the measures adopted by governments in countries worldwide to mitigate the pandemic's spread have impacted the Association's operations. While the Association has been able to transition to a more virtual concept and work environment, the continuation of the pandemic and the various restrictions put in place by various governments has affected the Association's operations and results for the year and is expected to continue to do so for the next two to three fiscal years.

These financial statements have been prepared on the assumption that the Association is a going concern, meaning it will continue in operation for the foreseeable future and will be able to realize assets and discharge liabilities in the ordinary course of operations. Different bases of measurement may be appropriate if the Association is not expected to continue in operation for the foreseeable future. The Association is economically dependent on government support to fund its programs and activities. The Association's continuation as a going concern is dependent upon its ability to receive future government funding sufficient to meet current and future obligations.

3. SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Presentation

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations.

b. Cash and Cash Equivalents

Cash and cash equivalents may include cash on hand, demand deposits, and short-term highly liquid investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. These short-term investments generally have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term cash commitments rather than for investing.

BRITISH COLUMBIA LIBRARY ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021

3. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

c. Revenue Recognition and Donated Services

The Association follows the restricted fund method of accounting for revenue and contributions. The fund classifications are:

General Fund

The General Fund includes the current operations and the administration of programs relating to Province of British Columbia and other third party grants received during the year. Unrestricted contributions, internally restricted contributions and externally restricted contributions for the purpose of operating the Association are reported in this fund. The General Fund accounts for the Association's program delivery and administrative costs. This fund reports unrestricted resources and restricted operating grants and contribution

Specific Purpose Funds

The Specific Purpose Funds have been set up by the Association for specific purposes and are funded from donations and transfers from the General Fund.

Capital Asset Fund

The Capital Asset Fund reports the assets, liabilities, revenue, and expenses related to the Association's capital assets.

Restricted contributions relating to the General Fund are recognized as revenue of the General Fund in the year in which the related expenses are incurred. Revenues, including identified grants which relate to a subsequent year and the unexpended portion of restricted grants, are reflected as deferred revenue at the year end. In determining the unexpended portion of restricted grants, any other related revenues are considered to be expended before the grants. Government grants and other receivables are recognized as an asset when the amount can be reasonably estimated and ultimate collection is reasonably assured. Expenses are recorded when incurred on an accrual basis. Expenses related to future periods are included in prepaid expenses at the year end.

Donated goods are recorded at fair market value. Because of the difficulty in determining their fair value, contributed services are not recognized in the financial statements.

Revenues from internal programs, seminars, conferences and all other programs are recognized when they are received and the related expenses have been incurred.

BRITISH COLUMBIA LIBRARY ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021

3. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

d. Capital Assets

Capital assets are recorded at cost. The cost, less the estimated salvage or residual value, is charged to income over the estimated useful life of the asset on a time-owned basis, at the following annual rates:

Computer equipment	30% declining balance method
Office furniture and equipment	20% declining balance method

e. Use of Estimates

The preparation of financial statements in conformity with Accounting Standards for Not-for-Profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based on management's best knowledge of current events and actions the Association may undertake in the future, actual results ultimately may differ from the estimates and would impact future results of operations and cash flows.

f. Prepaid Expenses

Prepaid expenses include prepaid conference expense, prepaid insurance and merchandise held for resale and are charged to operations during the period that benefits from the expense.

g. Financial Instruments

Measurement

Financial assets originated or acquired, or financial liabilities issued or assumed in an arm's length transaction, are initially measured at their fair values. In the case of a financial asset or financial liability not being subsequently measured at fair value, the initial fair value will be adjusted for financing fees and transaction costs that are directly attributable to its origination, acquisition, issuance, or assumption.

The Association subsequently measures its financial assets and liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in net income.

Financial assets originated or acquired, or financial liabilities issued or assumed in a related party transaction, are measured in accordance with the accounting policy for related party transactions, except for transactions with a person or an entity whose sole relationship with the Association is in capacity of management in which case, they are accounted for in accordance with Financial Instruments.

Financial assets measured at amortized cost include cash and accounts receivable.

Financial liabilities measured at amortized cost include accounts payable.

BRITISH COLUMBIA LIBRARY ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021

3. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

g. Financial Instruments (Continued)

Impairment

At the end of each reporting period, the Association assesses whether there are any indications that a financial asset measured at cost or amortized cost may be impaired. When there is an indication of impairment, the Association determines whether a significant adverse change has occurred during the period in the expected timing or amount of future cash flows from the financial asset and, in which case, the carrying amount of the asset is reduced to the highest expected value that is actually recoverable from the asset either by holding that asset, by its sale, or by exercising the right to any collateral (net of cost). The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in net income.

Previously recognized impairment losses may be reversed to the extent of the improvement, directly or by adjusting the allowance amount, provided that it is no greater than the amount that would have been reported at that date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in net income.

Transaction Costs

The Association recognizes its transaction costs in net income in the period when the costs are incurred. However, the carrying amounts of the financial instruments that will not be subsequently measured at fair value are reflected in the transaction costs that are directly attributable to their origin, issue, or assumption.

Derecognition

A financial liability or a part of a financial liability is removed from the balance sheet when it is extinguished (i.e.: when the obligation is discharged or cancelled, or expires). The difference between the carrying amount of that financial liability extinguished or transferred to another party, except for a related party transaction, and the fair value of the consideration paid, including any non-cash assets transferred, liabilities assumed or equity instruments issued, is recognized in net income for the period.

h. Allocation of Expenses

All special purpose fund costs directly attributable to a fund are expensed to the applicable fund expense. All indirect costs are allocated to the General Fund.

BRITISH COLUMBIA LIBRARY ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021

4. FINANCIAL INSTRUMENTS

The Association is exposed to various risks through its financial instruments, without being exposed to concentrations of risk. The following analysis provides a measure of the Association's risk exposure at December 31, 2021.

a. Liquidity Risk

Liquidity risk arises if the Association is unable to meet its obligations associated with financial liabilities. The Association is exposed to this risk mainly in respect to its accounts payable. The Association mitigates this risk by preparing and monitoring operating budgets that are used to assist with the planning of cash flows to meet its obligations as they come due.

b. Credit Risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge its obligation.

Cash and accounts receivable are exposed to credit risk due to the potential for counterparties to default on their contractual obligations. The maximum potential loss on these financial instruments is equal to their carrying value.

The Association mitigates its credit risk exposure by maintaining its cash in a major Canadian chartered bank. Accounts receivable are owed from various entities and there is no concentration of risk associated with any particular customer. As at December 31, 2021, there were no overdue account receivable balances.

c. Market Risk

Market risk is the risk that the fair market value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk, and other price risk. The Association is not exposed to market risk.

i. *Currency risk*

Currency risk is the risk that the fair market value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Association is not exposed to currency risk as it does not maintain any foreign denominated financial instruments.

ii. *Interest rate risk*

Interest rate risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of changes in market interest rates. The Association is exposed to interest rate risk on its term deposits which bears interest at a fixed rate which could expose the Association to interest rate price risk. Fluctuations in market interest rates could affect the fair value of this financial instrument.

BRITISH COLUMBIA LIBRARY ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021

4. FINANCIAL INSTRUMENTS (CONTINUED)

c. Market Risk (Continued)

iii. Other price risk

Other price risk is the risk that the fair market value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument traded in the market. The Association is not exposed to other price risk.

5. CAPITAL ASSETS

	Cost	Accumulated Amortization	Net Book Value	
			2021	2020
Computer equipment	\$ 14,366	\$ 8,382	\$ 5,984	\$ 8,548

Balance end of the year	<u>8,797</u>	<u>10,775</u>
Deferred membership fees		
Balance beginning of the year	25,371	28,047
Current year deferred membership fees	(24,066)	25,371
Membership fees realized as revenue in the year	<u>26,304</u>	<u>(28,047)</u>
Balance end of the year	<u>27,609</u>	<u>25,371</u>
Total deferred revenue	<u>\$ 36,406</u>	<u>\$ 36,146</u>

BRITISH COLUMBIA LIBRARY ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021

8. VANCOUVER FOUNDATION ENDOWMENT FUND

Pursuant to an agreement with the Vancouver Foundation ("VF"), the B.C. Libraries Endowment Trust ("the Fund") was established in 1989. Contributions to the Fund to December 31, 2021 total \$430,197 (2020 - \$430,197), and consist of \$280,197 received from the Association and \$150,000 received from the VF. The Fund is permanently administered by the VF and is invested in the VF's pooled consolidated trust fund. At December 31, 2021, the Fund owned 27,771 units, with a market value of \$677,405 (2020 - \$627,708). The trust fund includes investments that are traded on stock exchanges which are subject to the risk of fluctuations in quoted market prices

Annual income from the Fund is distributed to the Association to meet its operating expenses. During the year, interest of \$23,411 (2020 - \$23,411) was earned and distributions of \$23,411 (2020 - \$23,266) were paid to the Association.

The Association is restricted in its right to withdraw any amounts contributed to the Fund. The contributions to the Fund are held in perpetuity. Accordingly, the Fund is not reflected in the financial statements.

9. INTERNALLY RESTRICTED NET ASSETS

The Association has placed restrictions on net assets held for the following programs:

	2021	2020
British Columbia Library Association		
Funded Projects
